

Meeting Minutes 4: Final Review and Submission

Date: December 3, 2024

Attendees: Entire Team

Agenda:

1. Review of completed work.
2. Final testing results.
3. Submission preparation.

Discussion:

- **Frontend:**
 - All pages reviewed for usability and design.
 - Confirmed responsiveness on various devices.
- **Backend Integration:**
 - Verified successful communication for all API calls.
 - Backend optimization improved response times.
- **Testing Results:**
 - Passed all unit and integration tests.
 - Fixed a few minor alignment bugs in the GUI.
- **Project Management:**
 - README updated with final hours and team roles.
 - All tasks closed in GitHub Issues.
 - Project report added to the Wiki, including meeting minutes and design decisions.

Decisions Made:

- Submit the final commit link by December 4.
- Ensure all team members review the final submission.
